The Song of the Cradle.
Here, here! Hope rises high!
There's a sweet little cradle
hanging up in the sky;
Dear little life that is
coming to bless;
Two soft chubby hands
that will pat and caress;
A pure little soul winging
down from above;
A darling to care for,
A baby to love.

One of the
greatest
agencies
which enlighten
Science
has discovered
to relieve
motherhood
from excessive
suffering is the
"Favorite
Prescription"
devised by Dr.
R. V. Pierce,
chief consulting
physician of
the Invalids'
Hotel and
Surgical Insti-
tute, of Buf-
falo, N. Y.

This wonderful "Prescription" imbues
the entire nervous system with natural,
healthy vitality; gives elastic vigor to
the delicate organism specially concerned
in motherhood, and makes the coming
of baby entirely free from danger and
almost free from pain.

"I wish to state that I have used Doctor
Pierce's Favorite Prescription with very good
results," writes Mrs. Katie H. Smith of Hud-
son, New Hampshire. "I had been in poor
health for over four years and had been
twice in the hospital. My husband through
some of your 'Favorite Prescription,' and it
has carried me easily through my last two
confinements. We are now blessed with two
healthy children, and I am sure your medi-
cine has done me more good than all the
other treatment I have ever received."

BAD HEADACHES gen-
erally arise from bad stom-
achs. Foul breath, bitter
taste, coated tongue, sour
eructations or belching of
gas, are common symptoms
though not all present in
every case. To cure, take
small doses, only one or two
each day, of old Dr. Pierce's
Pleasant Pellets, the Origi-
nal Little Liver Pills, first put up by him over
40 years ago. One or two a laxative, three or
four cathartic.

SCALP DANDRUFF.
Ereanously Thinks by Scouring Her
Scalp That She Cures Dandruff.

Cleanly woman has an erroneous idea
that by scouring the scalp, which re-
moves the dandruff scales, she is curing
the dandruff. She may wash her scalp
every day, and yet have dandruff her
life long, accompanied by falling hair,
too. The only way in the world to cure
dandruff is to kill the dandruff germ,
and there is no hair preparation that will
do that but Newbro's Herpicide. Herpi-
cide by killing the dandruff germ,
leaves the hair free to grow as healthy
Nature intended. Destroy the cause
you remove the effect. Kill the dan-
druff germ with Herpicide. Sold by
leading druggists. Send 10c in stamps
for sample to The Herpicide Co., De-
troit, Mich.

"Logical and Just"

Mr. Edwin Hebben, who submitted
a scheme of assessment rates at the
meeting of the Supreme Council of the Royal
Arcanum at Put-in-Bay, Ohio, as a sub-
stitute for the rates adopted in May at
Atlantic City, returned home yesterday.
Mr. Hebben's substitute was not ac-
cepted, the new rates being reaffirmed
with amended provisions for the benefit
of the old members by a vote of the
Supreme Council adopting the report of
the special committee on assessments.

Mr. Hebben said that he believed the
new arrangement is both logical and
just. In addition to reaffirming the
rates, the committee recommended an
amendment to the laws providing "that
any member 65 years old and over, or
hereafter reaching that age, may pay
only one-half of the prescribed amount
of the assessment, and the balance with
4 per cent. interest, compounded an-
nually, shall be charged against his
benefit certificate and deducted there-
from upon the payment of benefit."

"I don't think this will work any great
hardship upon the old members," Mr.
Hebben said. "I don't think that the
amount to be deducted from their benefits
will amount to \$50 in any instance. Con-
sidering the premiums that have been
paid in the past, I believe that the new
rates are fair. There may be some dis-
satisfaction among some of the older mem-
bers, but I believe that will pass away
when they understand the situation more
thoroughly."

The following statement concerning
the final determination of the Royal Ar-
canum convention was authorized at Put-
in-Bay by Supreme Secretary Robson:

"An amendment was adopted for the
reinstatement without new medical ex-
amination of members suspended since
June 1, if they apply for reinstatement
before November 30.

"The proposition to create a fraternal
fund by annual contributions of 20 cents
from each member to be used in payments
of assessments of aged members was re-
ferred to an executive committee, with
power to procure the necessary State leg-
islation, the proposition being contrary to
the laws of Massachusetts.

"An amendment was adopted provid-
ing that members more than 65 years of
age may pay only one-half of their as-
sessments and that the remainder may be
charged against their certificates, deduc-
tion to be made when the benefits are
paid."

The Supreme Regent was directed to
act upon the reading of unauthorized
circulars in the councils.

A Determined Suicide.

Battled in repeated attempts at self-de-
struction which he had tried to accomplish
by ordinary methods, Peter Ardine, 32
years old, of Patterson, N. J., outwitted
the keepers in the county jail and finally
accomplished his purpose. He stood on
his head in a padded cell until a blood
vessel burst, causing death from hem-
orrhage.

Ardine attempted to committed suicide
Monday night by jumping into the Pas-
saic river. He was rescued and taken to
jail. During the night he inflicted sev-
eral wounds on his body and had other-
wise tried to kill himself. After being
committed Ardine succeeded in again
lacerating his arms and body in attempts
to sever a vein. On Tuesday night
Sheriff Bergin summoned the county
physician (McBride), who made an ex-
amination of the man and decided that
he was insane. He ordered him placed
in a straitjacket.

This was accomplished after Ardine
had knocked down and injured several
of the keepers in his maniacal struggles
to prevent them placing the jacket on
him. After the jacket had been ad-
justed Ardine was placed in a padded
cell.

Despite the fact that he was secured
in the jacket with his arms pinioned, he
would jump from his cot and stand on
his head in a corner of the cell. Believ-
ing that this would do him no harm, the
keepers refrained from strapping him to
the cot. During one of his frantic ac-
tions, after he had jumped from the cot
and had stood on his head for a few min-
utes, a blood vessel was ruptured and he
died within a few moments.

Christianity in Japan.

The war of Japan with Russia has
been the occasion, a bulletin of the
Presbyterian Board of Missions says, of
a turning toward Christianity by the
Japanese people. A war evangelistic
bureau has been established by the
Church of Christ in Japan, which is the
union of all the Presbyterian bodies of
converants. This bureau keeps in touch
with the army and navy, supplying them
with Christian literature, looking after
their families and preaching to soldiers
in barracks or on the way to the front.
A notable tendency in Japan is the
movement toward church independence.
A strong feeling exists among many
pastors and Christians in Japan that
they should be given such complete ec-
clesiastical independence that the mis-
sionaries shall be in no way responsible
for the government and discipline of the
church. Some urge a plan of co-operation
between the native church and the mis-
sionaries.

Incredible Brutality

It would have been incredible brutality if
Chas. F. Lumberger, of Syracuse, N. Y., had
not done the best he could for his suffering
son. "My boy," he says, "cut a fearful gash
over his eye, so I applied Bucklen's Aches
Salve, which quickly healed it and saved his
eye." Good for burns and ulcers too.
